Coffee Corner

The middle-aged man was shuffling along, bent over at the waist, as his wife helped him into the doctor's waiting room. A woman in the office viewed the scene in sympathy.

"Arthritis with complications?" she asked. The wife shook her head, "No Do-it-yourself," she explained, "with concrete blocks."

Two elderly ladies meet at the launderette after not seeing one another for some time. After inquiring about each other's health, one asked how the other's husband was doing...

"Oh! Ted died last week. He went out to the garden to dig up a cabbage for dinner, had a heart attack and dropped down dead right there in the middle of the vegetable patch!"

"Oh dear! I'm so very sorry," replied her friend, "What did you do?"

"Opened a can of peas instead."

It was Palm Sunday and, because of a sore throat, 5-year-old Johnny stayed home from church with a sitter. When the family returned home, they were carrying several palm branches. The boy asked what they were for. "People held them over Jesus' head as he walked by." "Wouldn't you know it," the boy fumed. "The one Sunday I don't go, He shows up!"

'Wanted -- clerk to work eight hours a day to replace one who didn't.'

A blonde gets an opportunity to fly to a nearby country. She has never been on an airplane anywhere and was very excited and tense. As soon as she boarded the plane, a Boeing 747, she started jumping in excitement, running from seat to seat, shouting 'BOEING! BOEING!! BOEING!!! BO....'. She sort of forgets where she is, and even the pilot in the cockpit hears the noise. Annoyed by the goings-on, the pilot comes out and shouts 'BE SILENT!'. There was pin-drop silence everywhere and everybody is looking at the blonde and the angry pilot. She stared at the pilot in silence for a moment and all of a sudden started shouting, 'OEING! OEING!! OEING!!! OE...'.

Bernie had a fight with Rachel, his wife, and went to the movies to cool off. Later that evening, he decided to phone home to see what the situation was and maybe even apologize.

"Hello, darling," he said, "what are you making for dinner?"

"What am I making for dinner? After all the horrible things you said to me earlier, you want to know what I am making for dinner!! Poison, that's what I'm making, poison."

Bernie replies, "Okay then, just make one portion, I'm not coming home."

Joe loved golf, but his eyesight had gotten so bad, that he couldn't find his ball once he'd hit it. He consulted with his wife, and she recommended that Joe bring along her uncle Ted. Joe said, "But Ted is 80 years old and half senile!" His wife replied, "Yes, but his eyesight is incredible." Joe finally agreed and took Ted along. He teed off and could feel that he had hit it solidly. He asked Ted, "Do you see it?"

Ted nodded his head and said, "Boy, that was a beautiful shot!"

Joe excitedly asked, "Well, where did it land?!"

Ted said, "Hmmm. I forget."

A customer sent an order to a distributor for a large amount of goods totaling a great deal of money.

The distributor noticed that the previous bill hadn't been paid. The collections manager left a voice-mail for them saying, "We can't ship your new order until you pay for the last one."

The next day the collections manager received a collect phone call, "Please cancel the order. We can't wait that long."

Thank-You

I thought I had finally found a way to convince Susan, my continually harried friend that she needed to find ways to relax. I invited her to dinner and, while I was busy cooking, she agreed to watch my videotape on stress management and relaxation techniques.

Fifteen minutes later, she came into the kitchen and handed me the tape.

"It was good," she said, "but I don't need it."

"But it's a 70-minute video," I replied. "You couldn't have watched the whole thing."

"Yes, I did," Susan assured me. "I put it on fast-forward."
